NEW

Buffalo Weed Control
The perfect solution to control most common weeds. A ready-to-use weed control agent specifically developed for use on buffalo lawns. Controls Bindii, Creeping Oxalis, Catsear, Clover, Cudweed, Dandelion and other lawn weeds.
2LT BOTTLE

\$19.95

Weed Control

Developed for use on Sir Walter Premium Lawn Turf and most other lawns. Kills Bindii, Oxalis, Clover & other broad leaf weeds.

\$17.80

Lawn Aerator Sandals

The easy way to aerate your lawn. Simply strap on over your shoes. Great for clay base lawns needing regular Gypsum applications and to loosen high traffic & compacted areas.

\$29.50

Manutec Soil pH Test Kit

For the best growth of your lawn, it's essential that the pH of your soil is of a neutral pH, with 6.5 being the optimum level. With this kit you can rapidly find the pH of your soil, so that you may correct it where necessary.

\$24.95

Amgrow Winter Grass Killer

Selective herbicide for the control of Winter Grass in lawn turf. Mixes readily with water for easy application.

\$26.95

Yates Zero Weeding Brush

Fill with Glyphosate and spot-weed like a pro.

\$39.95

Dog Rocks

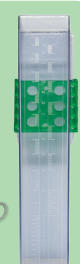

Are your dog's toilet habits leaving your lawn patchy? You need these!

\$13.95

Combination Meter
Gives moisture level & pH of the soil, plus lets you know how much light is reaching your lawn.

\$20.50

Rainwater Gauge
150mm Rain Gauge complete with mounting bracket to measure rainfall.

\$8.95

Gardena Pyramid Sprinkler
Simply connects to hose connector tail. Full circle sprinkler action.

\$15.95
